Psa 150:1-6 Praise ye the LORD. Praise God in his sanctuary: praise him in the firmament of his power.
Praise him for his mighty acts: praise him according to his excellent greatness.
Praise him with the sound of the trumpet: praise him with the psaltery and harp.
Praise him with the timbrel and dance: praise him with stringed instruments and organs.
Praise him upon the loud cymbals: praise him upon the high sounding cymbals.
Let every thing that hath breath praise the LORD. Praise ye the LORD.

Can we praise him enough?

Praise the Lord for safety as we have traveled this year and a half.

Praise the Lord for permitting us to minister in 17 different states.

Praise the Lord for allowing us to be in so many churches during this time.

Praise the Lord our children who have not just endured, but enjoyed being in churches, ministering, and singing.

Praise the Lord for using us to be a blessing to many people in these churches.

Praise the Lord that the truck has run great with only limited repairs.

Praise the Lord for good gas mileage and gas prices below three dollars (and again I say, Praise the Lord)!!

Praise the Lord for good health during these months of deputation, only a week or two of sickness.

Praise the Lord that we were able to be a witness to many people as we have traveled, through tracts, personal witness, visitation, and personal testimony.

Praise the Lord for those that He has allowed us to see accept Christ as their Saviour.

Praise the Lord for the Love offerings that have helped us to be able to travel.

Praise the Lord for those who have taken us on for support, so we can get to the field.

Praise the Lord for those who have committed to pray for us as we go.

Praise the Lord for impressing the Paquette family to provide a house for us to live in while we are in Mexico for language school.

Praise the Lord for Miss. Nicole McKenzie coming to Mexico to teach school for our kids.

Praise the Lord for Bro. & Mrs. Sexton who have labored faithfully these last twenty-one years in Honduras.

Praise the Lord that the Sextons will be allowing us to work with and learn from them in these beginning days of mission work.

Praise the Lord for parents who are supportive and encourage us in the ministry.

Praise the Lord for our church "Pleasant Grove Baptist Church", their prayers, support, and encouragement.

Praise the Lord for our pastor, Bro. Doug Grant, who has helped, instructed, prayed, and worked on our behalf.

God is so Good. God is so Good. God is so Good. He's so good to me.

Evangelist Dana Williams once commented that the Holy Spirit is going about to do a work, if we would just get in, shut up, and hang on, we could see God do miraculous things. Well, we have gotten in, and to the best of our ability we are hanging on. If I could learn to shut up more often we might see God do even greater things.

We currently are moved out of our house, and into our 4X5 cargo trailer. We leave Monday June 1st for Texas, and then Monday June 8th into Mexico. Praise the Lord!

Please continue to pray for us that the Lord will use us to accomplish something for his Glory and honor.

Yours for Honduras,
Gene and Robin Trask and family
